

# Melinta Therapeutics to Present at the Jefferies 2018 Global Healthcare Conference

NEW HAVEN, Conn., May 24, 2018 (GLOBE NEWSWIRE) -- Melinta Therapeutics, Inc. (NASDAQ:MLNT), a commercial-stage company discovering, developing and commercializing novel antibiotics to treat serious bacterial infections, today announced that Dan Wechsler, Melinta's president and CEO, will present at the Jefferies 2018 Global Healthcare Conference in New York, NY. The presentation will take place on Weds., June 6 at 10:00 a.m. Eastern Time.

A live and archived webcast of the presentation will be accessible from Melinta's Investor Relations website at <http://ir.melinta.com/>. The webcast can also be accessed from the following URL: <http://wsw.com/webcast/jeff113/mlnt/>.

## **About Melinta Therapeutics**

Melinta Therapeutics, Inc. is the largest pure-play antibiotics company, dedicated to saving lives threatened by the global public health crisis of bacterial infections through the development and commercialization of novel antibiotics that provide new therapeutic solutions. Its four marketed products include Baxdela™ (delafloxacin), Vabomere™ (meropenem and vaborbactam), Orbactiv® (oritavancin), and Minocin® (minocycline) for Injection. It also has an extensive pipeline of preclinical and clinical-stage products representing many important classes of antibiotics, each targeted at a different segment of the anti-infective market. Together, this portfolio provides Melinta with the unique ability to provide providers and patients with a range of solutions that can meet the tremendous need for novel antibiotics treating serious infections.
